Section 2 General Conditions and Terms

1. insurance contract

This insurance contract arises from the company's trust in the statement of the insured in the insurance application form. And in the health declaration and additional statement (if any) signed by the insured as the basis for agreeing to be insured under the insurance contract, the company has issued this insurance policy.

In the case where the insured already knows but makes a false statement in the statement under paragraph one Or already know in any real message but concealed that fact without notifying the company, which if the company knows the true message May incentivize the company to call for higher premiums or refuse to enter into an insurance contract This insurance contract will become void under Section 865 of the Civil and Commercial Code. The company has the right to cancel the insurance contract.

The Company will not deny liability based on statements other than those stated by the Insured in the documents under paragraph one.

2. The completeness of the insurance contract and changes in the text of the insurance contract

This insurance policy including the protection agreement and attachments constitutes an insurance contract for any change in the text In the insurance contract, the consent of the company must be obtained and recorded in this insurance policy. or in the attached document, then it will be complete.

3. Failure to dispute or object to the invalidity of the insurance contract

The Company will not dispute or object to the invalidity of this insurance contract. When the insurance policy has been in effect for 2 consecutive years or more from the date the insurance policy comes into force for the first time, except for failure to pay the premium

In the event that the company has knowledge of the information that will clear the insurance contract but has not exercised the right to clear the insurance contract within 1 month from the knowledge of that information The Company cannot nullify the validity of the insurance contract in this case.

4. Declaration of age or gender discrepancy

If the insured's age or gender is deviated from reality, causing

4.1 The company receives less premium than the specified amount, the sum insured that the insured will receive under this insurance policy will be equal to the amount of premium paid. Coverage under this insurance can be purchased according to the actual age and gender. If the insured's age or gender is correct, it cannot be covered under this insurance policy, then the Company will not pay any compensation, but will instead return the premium of this insurance policy which has already been paid.

4.2 The company receives premiums in excess of the specified rate, the company will return the premium in excess to the insured. However, the Company will not apply this condition for retrospective premium adjustments for the sum insured period in the past insurance policy year.

5. career change

If the Insured is injured while acting for compensation in another occupation that is more risky than the occupation previously stated The Company will pay compensation in the amount equal to the premium paid for the former occupation and may purchase coverage for the new occupation.

If the insured changes his/her occupation to another type of occupation which the Company determines as an occupation that is less risky than the occupation described to the Company The company will reduce the premium and will return the premium in proportion. From the date the company has received evidence showing the change of occupation.

6. Premium payment

Annual premium payments are due immediately or before coverage begins by the insured. And the coverage will begin to take effect on the date specified in the insurance policy schedule.

7. Policy Cancellation

7.1 The Company may terminate this Policy by sending a written notice not less than 30 days in advance by registered mail to the Insured at the last address notified to the Company. The period during which this insurance policy has been enforced and issued in accordance with.

7.2 The insured can cancel this insurance policy by notifying the company in writing, and have the right to receive premium back After deducting premiums for the period that this policy has been in force, it is issued according to the short-term premium rates as specified in the following table.

Short-term insurance premium rate table

insurance period (not more than / month)	Percentage of full year premium
1	15
2	25

insurance period (not more than / month)	Percentage of full year premium
3	35
4	45
5	55
6	65
7	75
8	80
9	85
10	90
11	95
12	100

Cancellation of the insurance policy under this condition whether acted by any party Must be a cancellation of the entire insurance policy only Neither insuring agreements can be canceled.

8. Automatic termination of the insurance contract

The coverage of the insured under this insurance policy It will end when one of the following events occurs. whichever event will occur first

8.1 As of the expiration date of the insurance policy as specified in this policy schedule and/or insurance certificate (In case of no insurance policy renewal)

8.2 In the insured year that the insured has reached the age 99 complete *year*

8.3 When the insured fails to pay the insurance premium according to the general conditions and clause 8.

8.4 When the insured dies from non-insured causes

8.5 when the insured is incarcerated in a prison or correctional institution

For the termination of coverage under clause 8.4 or 8.5, the Company shall return the premium to the Insured or the Beneficiary. By deducting premiums for the period that this insurance policy has been in force and then issued in proportion

8.6 Each coverage under this insurance policy will expire when the company has paid compensation according to the maximum sum insured as specified in the insurance policy schedule of that coverage. The company will continue to cover until the end of the insurance period. Only the sum assured of the remaining coverage.

8.7 This insurance policy And all insurance under this insurance policy will expire at 12 am Thailand time on the date of the end of the insurance policy.

9. Renewal of the Policy

9.1 In the case that the company agrees to renew the policy The company will retain the right to below

9.1.1 The premium adjustment will be suitable for the increased risk level and age of the insured and

9.1.2 The changing on the terms, conditions, or insuring agreement are on the renewal year as needed. In which the company must notify the insured in the event of significant changes in conditions under this policy

9.2 If the policy is renewed and the insured pays the premium within the 30-day of allow period. The company will not reimburse the conditions of non-disputing or opposing the imperfection of the insurance contract. If the insured does not pay the insurance premium during the allow period, it is considered that the coverage under the policy will be ending since the last payment date. In the case of claiming compensation within the allow period, The insured has not paid the insurance premiums. The company will deduct the outstanding insurance premiums from the compensation that the company will pay under the policy.

9.3 The company could refuse to renew the insurance policy by notifying to the insured in writing at least 30 days before the policy expiration date as specified in the policy

10. Report of Accident

The Insured, the beneficiary or the representative of the said person, whichever the case may be, must report the accident to the Company without delay. In the event of death, an immediate notice must be made to the Company unless it can be proved that the circumstances make it impossible to do so and the notification is given to the Company as early as possible.

11. Claims and Submission of Proof of Damage

In the case of claiming compensation assured beneficiary or representatives of such persons, as the case may be The evidence as requested by the Company shall be submitted as necessary to the Company at its own expense.

In case of claiming compensation due to death or disability, the above evidence must be submitted within 30 days from the date of death. or from the date the doctor decides that he or she is disabled In the case of claiming other compensation Must submit evidence within 180 days from the date of the accident. However, failure to claim within such time limit will not prejudice the right of claim if it shows that there are reasonable grounds for failing to claim within the specified time. and made a claim as soon as possible.

12. Examination Rights

The Company has the right to examine the Insured's medical history and diagnosis as necessary for this insurance. and has the right to perform an autopsy in In case of necessity and not contrary to the law at the expense of the company

In the event that the Insured refuses to allow the Company to examine the Insured's medical history and diagnosis for consideration of compensation payment The company may deny the coverage under this insurance policy to the insured.

13. compensation payment

The company will pay the compensation within 15 days from the date the company has received complete and correct evidence showing the loss or damage. by compensation for death The company will pay to the beneficiaries. Other compensation will be paid to the insured.

In the event that there is a reasonable suspicion that the claim for the Company to compensate under the insurance policy as mentioned above is not in accordance with the insuring agreement in the insurance policy The specified period may be extended as necessary, but shall not exceed 90 days from the date the company has received all the documents.

If the Company is unable to pay the compensation within the period above The Company will be liable to pay interest at the rate of 15% per annum of the amount payable. However, from the due date of payment

14. beneficiaries under the insurance policy

The Insured can specify his/her beneficiary in the policy. Upon the Insured's death, the benefit will be paid to such named beneficiary. However, if no beneficiary is named on the policy, the benefit will go to the Insured's estate.

In case the Insured named only one beneficiary and that person dies before the Insured, the Insured must notify the change of the beneficiary to the Company in writing. If this is not done or the Insured dies in the same accident as the beneficiary, the benefit will go to the Insured's estate.

In case the Insured named more than one person as beneficiary, and any of them dies before the Insured, the Insured must notify the change of the beneficiary to the Company in writing. If this is not done or the Insured dies in the same accident, the benefit will go to the rest of the persons named as beneficiary by dividing the portion of the deceased beneficiary to the rest proportionately.

15. Arbitration

In case of argument, dispute, or appeal under this Policy between the person who is entitled for compensation versus the Company, and if so desired by that person to settle the disputed claim by use of arbitration, the Company must conform and allow the case to be judged by arbitration according to the Arbitrating Regulation governed by the Department of Insurance.

16. Precedent Condition

The Company shall not be liable to compensate the Insured or other party under this insurance policy unless the Insured has complied with the insurance contract and the Conditions of this Policy.

INSURING AGREEMENT
